## High School! I did it! Now What?

### College & Career

I have no idea what I want to do! Does that sound familiar? This program will help to get your students moving in a forward direction!

**Whether College, trade school, a job, the military, or starting a business, this program will help your students to consider and select the path that is best for them.**

Regardless of what path your students choose, there are some fundamental factors that assist, or hold back High School Graduates from experiencing achievement and fulfillment!. Avoid the pitfalls and mistakes that will only lengthen your road to success! After High School, Rodney attended college, started successful businesses, and achieved success in Corporate America. He will share with you how to do the same!

### This eye-opening program will teach you.....

- The Biggest Mistakes college students make, one is networking!
- The Winning Characteristics of all hireable candidates!
- How companies will separate the Contenders, from the Pretenders!
- The importance of your personal brand and money management.
- What it will take you to succeed regardless of what path you choose!
- How to research a job/career and prepare for the interview.
- What Core Competencies recruiters and employers look for.
- How to give yourself the best opportunity to get selected.
- What are the two traits that all successful people share?

*Formats:* 45, 60, or 90 min. or half day seminar
