Heartland CC, Normal, IL

Web Developers- Website Projects

About the Internship

Web Developers- Website Projects

About Us

Life Coachers International has a variety of Divisions that include interests from MMA to the Restaurant Industry. You will be crafting a team of highly skilled professionals who are doing internet development work to increase the companies impact while boosting your resume!

As a Life Coachers International Web Development Intern, you will have the chance to work with a variety of divisions that specializes in one of the following issue areas:

- Mixed Martial Arts
- The Restaurant Industry
- Education
- Network Marketing
- College Life

Life Coachers International allows you to "give what you know" so that you can make the strongest impact while networking and growing professionally. We are currently looking for seasoned web developers to create an award-winning portfolio of Web Projects.

Web Developers Needed

The Web Developer role is responsible for the implementation of feature/functions of technology projects. She/he will work on a team to code the backend of a website designed by a graphic designer. The ideal web developer will have 3+ years of experience and will be familiar with the following: DHTML, CGI, VbScript, ASP, PHP, JSP, SQL, FTP, Telnet, and VSS.

Each project lasts 12 Weeks, with interns 3 - 5 hours of their time each week, often virtually. This opportunity is flexible enough to work around the schedule of your full-time studies.
