Rodney Mastered Student Leadership!

Learn how to create and/or take advantage of any opportunity through Mastering High Level Student Leadership!

Rodney Moyer had over 100 interviews for jobs and internships as an undergraduate college student. In only about five of those interviews were academics brought up or discussed by the recruiter. Instead, recruiters focused primarily on Rodney’s high level experiences and development as a student leader. Rodney received multiple semesters of Free Tuition as an undergraduate. This was not based on academics, but his many significant accomplishments as a premier student leader!

From his office in the center of his college campus, Rodney held many positions including Director of Cultural Affairs, Director of Organizational Development, Founder & President of Raising Multi-Cultural Excellence, President of the Black Student Union, Vice-President of his chapter of Alpha Phi Alpha Fraternity Incorporated, and many more. More Importantly, his contributions to campus caused change of the highest order, and left a legacy of helping others, including receiving countless awards, recognitions, and free college tuition based on the significance of his impact as a student leader.
